DMTD #33

Pursuant to California Horse Racing Board rule #1530 (Cases Not Covered by Rules and Regulations), Jockey Agent Robert Meldahl is fined Two Hundred Dollars (\$200.00)* for failure to handle his business in a proper manner – two first calls.

4 FILM REVIEW

Jockey Alonso Quinonez was in to review an incident from Wednesday's sixth race where he was cautioned to react quicker to correct his mount's drifting through the stretch and use less whip and more rein to guide his horse. Mr. Quinonez agreed with this assessment and said he would show more effort in future races. This was considered a warning.

Jockey Martin Garcia also came in at the Stewards' request to review two races from the previous day. The initial review concerned the first race where Mr. Garcia's mount drifted outward and the second review was for drifting inward in the fifth race. These incidents were minor in nature but were worthy of bringing to Martin's attention. The young rider was cautioned to be more cognizant of his horses' direction at all times. This review was instructional in nature.

Six contestants were entered. The fourth race on the card is for Cal-Bred fillies and mares, three years old and up, non winners of a race other than maiden or claiming, or never won two, or claiming price \$25,000 at one mile and one sixteenth on the main track. A field of nine were drawn for this event.

3 FEATURE RACE – ZENYATTA STREAK INTACT

Today's feature was the 38th running of the Clement L. Hirsch Handicap, Grade II \$300,000 at one mile and one sixteenth on the main track. The brilliant unbeaten filly "Zenyatta" showed her class and versatility by racing far back early, finding a seam turning for home and galloping to a rather easy one length victory under jockey Mike Smith for owners Jerry and Ann Moss. Zenyatta's performance broke the Del Mar Polytrack record for the distance established earlier in the meet by Well Armed in the San Diego Handicap.

4 OBJECTION/NO CHANGE

Following the running of the tenth race, jockey Tyler Baze, who was aboard third place finisher #6 Union Dancer, claimed foul against first place finisher #9 Chanjo (jockey Rafael Bejarano) and second place finisher #4 Red Door Drive (jockey Martin Garcia) for alleged interference in mid stretch of the 1 1/16 turf event. Mr. Baze contended that both riders made it tight on him by coming out from his inside and coming in from the outside. After speaking with the patrol judges and riders involved, and reviewing the taped replay, the Stewards ruled that there would be no change due to insufficient evidence of a foul.

3 FILM REVIEW

Jockey Isaias Enriquez was in as requested by the stewards to review an incident in the second race Saturday where his mount suddenly came out into and crossed over in front of the horse to his outside just passing the 3/16 pole in the stretch. Film review substantiated that the horse was responsible for the problem and that jockey Enriquez responded as quickly as he could to correct the situation.

MONDAY

08/04/08

1 ENTRIES AND SCRATCHES

Eight races were drawn for Friday evening's program. The scratches for Wednesday's card were completed at 10:00 a.m.

2 CAL-BRED REPORT

The fifth race Monday is for Cal-Bred maiden fillies and mares three and up going six furlongs on the main track and will be contested with nine. The seventh race is also for Cal-Breds, an allowance/claiming affair for fillies and mares three and up, non winners of a race other than maiden or claiming, or never won two, or claiming price \$25,000 at six furlongs on the main track. A field of seven is set to go postward.

3 JOCKEY FILM REVIEW

Jockey Joy Scott appeared as requested to view video of her drifting out under left handed pressure and into another rivals path as they straightened for home in Saturday's eighth race. Ms. Scott thought that she was clear and didn't interfere with her outside rival while acknowledging that her mount was racing wide. The Stewards issued her a warning to be more careful in the future and make a better effort to keep her mounts straight, to which she said she would.

4 SEVENTH RACE STEWARDS INQUIRY/STARTING GATE MALFUNCTION/REFUNDS

The Stewards posted the inquiry sign immediately at the conclusion of the seventh race to review an apparent malfunction of the doors opening to stall #7 of the starting gate (Filter-5th). After several replays of the tape, which confirmed the split second delay, and consulting with the rider of #7 (Corey Nakatani) and starter Gary Brinson, the Stewards declared #7 Filter a non starter for wagering purposes only and ordered a refund on all single race bets and the late daily double where the seventh race was the lead race. All other multiple race wagers where #7 Filter was selected were switched to the post time favorite. For purse distribution purposes, #7 Filter was allowed to keep his portion of the purse for fifth place.

The Stewards consulted with starter Gary Brinson to establish if there was any conclusive reason that the stall door did not open simultaneously with the rest. Mr. Brinson did not have any plausible explanation at this time; however, upon request of the Stewards he tested it several times before the running of the next race and it operated without a flaw.
